

Ok I know its little late but you'd still like to hear and thank me for being not too late ;), and the news is that .ASIA domain names are now available for registration with WIPL.

So why should you Register a .ASIA domain ?

-

Registering a .asia domain name is one of the best ways to highlight your presence in the fast-growing Asia region.

-

The Asia/Pacific economy, which spans from Turkey to Japan, is home to more than 60% of the world's population which means you are targetting a big community

-

When you register the highly anticipated .asia domain name, & you'll Improve your chances of ranking well within the search engines because Asia is a natural word.

-

You'll be able to open yourself to hundreds of millions of Internet users. More than a third of the world's Internet users are located in Asia.

-

Signal your presence in one of the fastest growing markets in the world.

-

Be able to secure a name which you'd not been able to get on other extensions.

And if these reasons are not sufficient then the best reason is that getting an .ASIA domain name registration in India is cheapest with WIPL. You can get an **.ASIA domain with us for as low as Rs.689/year.. tempting huh ?**

So rush and grab the offer now, the registrations have started so you have lot chances to secure a domain which you'd have not found in any other extension so far, at WIPL we'll help you meet the "local presence" requirement for registering a .asia domain name. If you don't have a legal entity in the Asia region to list as a contact, we will lend you a local presence to satisfy the charter eligibility requirement.

And is it only about .ASIA ? no WIPL today offers the widest choice of domain extensions from .com .net .org .info .biz to other new & country specific domains like :

.name .mobi .asia .co.uk, .org.uk, .me.uk .eu .us .in .co.in, .net.in, .org.in, .gen.in, .firm.in, .ind.in .eu.com, .gb.com, .ae.org, .kr.com, .us.com, .qc.com .de.com, .gb.net, .no.com, .hu.com, .jpn.com, .uy.com, .za.com, .br.com, .cn.com,.sa.com, .se.com,.se.net, .uk.com, .uk.net, .ru.com, .cc .tv .ws .bz .mn and more..

We WIPLions are born smart souls and hence we registered wipl.asia when it went live :) ...so what about you ?
